Living & Loving Like Jesus

Volume 9 Issue 30 July 28, 2024

And Jesus came and spoke to them, saying, “All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit,

Matthew 28:18-19

We Welcome You!

We are honored that you chose to visit with us today. We hope that you will stay around a few minutes after our service to become better acquainted. We are eager to know you! We hope you will come to see us as we see ourselves, a group of people who desire to live and love like Jesus.

If you seek meaning and purpose in your life, we invite you to come and join us as we study God's word, the Bible, and find the true joy and fulfillment that can only be found in Him. Our doors and hearts are open. So, if you've been thinking, praying, searching, and hoping for a place to belong, we say again—welcome!

“Introducing A Congregational Evangelism Seminar”

What is an evangelism seminar? It is an effort to train the saved to teach the lost. We will spend time equipping Christians with a soul winning strategy. We will relay stories of real people who are coming to know their Savior and provide you the simple principles used to get them into a Bible study and help them obey the Gospel. We will spend time with elders and preachers and help them develop a winning strategy for the local congregation.

What can you do? First, please attend every session as each builds upon the other. Second, come ready to learn with Bible in hand, and ready to take notes. This is not just a lecture. It will be both principle and practice. Third, please be praying about souls to save. Since this focuses on training Christians how to reach the lost, it is not recommended that you invite your non-Christian friends and family. After being trained, you will have plenty of opportunity and a working method to reach them.

This seminar is having a great affect upon congregations. Hundreds of souls have been saved in just the past year, and if we all work together, and follow the Great Evangelist (Jesus), many more souls will be saved. The Lord is depending upon you for this evangelistic effort to be successful. The Gospel is not a passive process. It is an active process that will work when we are willing to work it. Below is a schedule of topics. I will be willing to answer any of your questions and materials will be available to help equip you with all the tools needed.
