Volume 10 Issue 1

And God said, "See, I have given you every herb *that* yields seed which *is* on the face of all the earth, and every tree whose fruit yields seed; to you it shall be for food. Also, to every beast of the earth, to every bird of the air, and to everything that creeps on the earth, in which *there is* life, *I have given* every green herb for food"; and it was so.

Genesis 1:29-30

## We Welcome You!

We are honored that you chose to visit with us today. We hope that you will stay around a few minutes after our service to become better acquainted. We are eager to know you! We hope you will come to see us as we see ourselves, a group of people who desire to live and love like Jesus.

If you seek meaning and purpose in your life, we invite you to come and join us as we study God's word, the Bible, and find the true joy and fulfillment that can only be found in Him. Our doors and hearts are open. So, if you've been thinking, praying, searching, and hoping for a place to belong, we say again—welcome!

# “Creation Speaks!”

## Get Better Acquainted with God

We need to all get better acquainted with God. Moses for example, got acquainted with God in a burning bush and you may find God there too, for God’s creation speaks to us today.

God speaks through the beauty of our world—in the thunderous waterfall, the lofty mountain, the onrushing river, the red, red rose, the green fir tree. When you climb some high peak and you look down into the valley below, the only word that will truly define your feeling is God!

God speaks also through the orderliness of His creation. The stars move in their orbits; the seasons come and go with regularity. Our world is at that exact spot where life may exist. Now, I do not know if we were closer to the sun, everything would burn up or, if we were farther away, everything would freeze. But I do know that planet earth is the only planet that sustains life and it does so because of how God has designed the universe.

But nature does not reveal all the nature of God. So, you will need to keep on reading your Bible. The Bible tells of a God who created the universe; of a God who chose the Hebrews as the race from which Christ would come; as the God who is the Father and who loves His children enough to send His Son for our salvation.

The highest revelation then of God is in Jesus. For, Jesus was also a person who gave us His Gospel. And, He is truth, love, beauty and strength! And, as we go through this life and study more about Jesus, we get better acquainted with God.

## Church Family News

**New Sermon Series**—God places a huge expectancy upon His creation in all matters pertaining to parenting. He urges us to train our children up according to His will and not the world (Proverbs 22:6.) Today, we will begin the first lesson in the sermon series “4 Bible Lessons Every Child Should Learn By Age 12”. God warns all of humanity against forsaking the innocence of the child, encouraging all adults to consider their eternity as a parent should consider their own. (Matthew 18:1-7) Please plan to attend every lesson!

**Missionary Visit & Family Potluck**—Greg Clodfelter, our missionary in Kenya, and his family will visit us on Sunday, January 12th to share news of their missionary work in East Africa. We have changed the date of our family potluck, usually scheduled on the first Sunday of the month, to January 12<sup>th</sup> to coordinate with the Clodfelter family’s visit and give us additional time for fellowship with them.

**Men’s Bible Study**—There will be a Men’s Bible Study at the building on Friday, January 17th, at 6 pm.

**Neighborhood Outreach**—Help reach out to the surrounding neighborhoods on Saturday, January 18th, at 11:30 am. All are invited to meet at the building and join this effort.

**Friendly Reminder**—For safety purposes, the exterior doors to the building are locked during services. If you leave the building after communion, please let someone know so you can gain re-entry. Also, please encourage your child not to leave the building unattended during Bible classes. Contact the safety committee for more information.
